We are proud to announce this Friendship Seminar in Copenhagen.

P. Corallini Shihan and E. Weisgard Sensei are both very close, direct students of Morihiro Saito Sensei and their close friendship goes back more than 30 years.

This seminar is not only to celebrate friendship, but also to celebrate the 20th anniversary of the Copenhagen Aiki Shuren Dojo.

The seminar is open to all levels and all styles of Aikido are welcome. The two days of training will be held in a part of Copenhagen called Valby. We have been allowed to borrow a magnificent training space in one of the few new 'skyscrapers' in Copenhagen, at KP Carlsberg Campus.
